President's Message

Judy Ramboldt, the President of the Florida Laryngectomee Association resigned her position on March 24th for personal reasons. As Vice President I will be assuming her position until the Annual Meeting in Daytona on October 29 and 30, 2004. At the meeting, there will be an election to determine the new officers for the following two years.

Closer to home our group had a great turnout for the American Cancer Society Relay for Life in Plantation. The Relay raised over \$110,000.00 for ACS. We had about 15 of our members there.

Some pictures are in the club news. We also had a large turnout for the Delray Beach Relay for Life. Thanks for your support. ACS provides the printing and mailing for our newsletter so it is nice to support them in return.

Doris Littlefield, our 1st Vice President and Earl Mogk will be running the April meeting. I'll be taking a mini-vacation in San Juan. Have a good time.

The April Meeting will be on the 25th at the Community Center at 6199 NW. 10th St. The room will be in the East Wing-where we held the first meeting.

CLUB NEWS

Gene Kimble had arthroscopic knee surgery on March 24th but attended our last meeting four days later. What a trooper.

Let's try to keep our group circles as widely dispersed from each other circle as possible. Sometimes it's hard to hear people in your own group because of interference of another group.

Lynn Carrier was presented a Gavel on behalf of our group, in appreciation of her efforts, at her recent meeting. She is now happily married and showed us her wedding pictures.

Max Brown had to have major additional surgery at Sylvester by Dr. Donald Weed. It has been rough going, but at press time he was improving.

Bernard Lalime was trapped in his back yard with his hand in a lawn mower, with no means to call someone. He recommends keeping a whistle in your pocket at all times. Luckily, he freed himself with only minor cuts.

Mike Rosenkranz celebrated his 80th birthday recently and provided birthday cake for the meeting. We all sang to him. Thanks Mike
